Advance Competencies of Global Communication:

Advanced Global Communication (CMST 4330) Assessment Instructions

For this course, I need an average score for your class on each of the 6 items in the attached rubric. This is just your general sense. And you do not need to send me names just something like this (The rubric is attached as a word document for the adv class). These scores should only represent your assessment of Global Communication Majors. If there were non-majors in the class, please do not include them in your assessment.

When completed, please email the department chair with the following scores:

9 Global COM majors were registered. Here are the average scores:

Global Self-Awareness 3.78

Perspective Taking 3.67

Cultural Diversity 4.0

Personal and Social Responsibility 3.67

Understanding Global Systems 3.56

Applying Knowledge to Contemporary Global Contexts 4.0
