USU in Deep South for MLK 50th

A group of USU students, led by Dr. Jason Gilmore and anthropology's Dr. Francois Dengah, are in the Deep South on a civil rights pilgrimage to commemorate the 50th anniversary of Martin Luther King's assassination, as well as to commemorate the Civil Rights Movement.

You can follow their experiences on their Utah Public Radio story, which they will be updating from the road. They also have a facebook page you can follow.
