Abdul Nasser Kaadan Ph.D, M.D.
Visiting Scholar - Weber State University

The Achievements of Some Muslim Physicians during the Medieval Ages
Tuesday March 21st - 3:30 pm - Merrill Cazier Library - Rm 101

The aim of the presentation is to shed light on some Arab and Muslim physicians’ achievements or contributions in medicine during the Medieval Ages, which are still attributed to western physicians.

SYRIA
The Cradle of Civilization and the Gateway to History
Tuesday March 21st - 6:00 pm - Eccles Conf. Center Auditorium

International scholar and Syrian refugee Dr. Abdul Nasser Kaadan will discuss the causes, consequences and potential future of the crisis in Syria.
