

## **GERMAN – 2014-15 Assessment Notes**

### **STUDENT SUCCESS:**

The USU-German program helps students rise: within the last year, graduates of the USU-German program have been accepted in prestigious programs/institutions/internships and won scholarships and awards. Some I am aware of include:

- Master of German as a Second Language program at the University of Heidelberg (Germany)
- Read America program (US)
- Heart of America Foundation (US)
- Master of Public Administration Program at Southern Utah University (UT)
- Master of Business Administration at Weber State University (UT)
- Hampton IP & Economic Consultants, LLC (SLC, UT)
- *Inlingua* Language School (Germany)
- At USU:
  - o Language faculty at Edith Bowen Laboratory School
  - o Rio Tinto Kennecott Scholarship
  - o Master program of Family & Human Development
  - o 4 CHaSS Students of the Year awards
  - o LPCS Miller Scholarship

### **PROGRAM STRENGTHS:**

German boasts a well-rounded offering of courses spanning from more hands-on and technical courses (Business German/German Grammar & Composition) to in-depth humanities courses that offer sincere engagement with a rich intellectual tradition (culture/history/literature), including a successful Study Abroad program.

### **TEACHING STAFF:**

For the 2014-2015 academic year the German section have a very strong, international team of instructors consisting of five qualified members:

- 2 tenure-track faculty (native speakers)
- 1 Fulbright teaching assistant (native speaker)
- 1 MSLT-student (extended stay in Germany)
- 1 experienced language teacher (native speaker)
- 1 German tutor (extended stay in Austria)

### **PUBLICATIONS OF GERMAN FACULTY (2014):**

2 books (1 in press/1 under contract/2 in progress)

2 articles published in 2014/1 accepted/1 in progress

4 book-chapters accepted (3 submitted)
